Lola Levine: Drama Queen

However, the overwhelming effect, the author argues, is exactly the opposite: in her study of Ethiopian immigrants she reaches the conclusion that the absorption centers, which are central to Israeli immigration policy, present an extreme case of bureaucratic control over immigrants; they hinder rather than facilitate integration through the creation of power-dependence relations, with immigrants - whose lives and social structures are constantly interfered with by the officials - being cast as weak, defenseless and needy. EU membership has been particularly beneficial for Portugal, allowing the country access to development funds and creating favorable conditions for its economy to compete, integrate, learn from, and get closer to the advanced economies of Western Europe.
