## **The English Spirit: Essays in Literature and History**

For many commentators Goethe is a source not of philosophical adventurousness nor of spiritual profundity, but rather of applied intelligence, of helpful insight into the living process.

## **Against Methodology in Science and Religion: Recent Debates on Rationality and Theology (Routledge Science and Religion Series)**

For the IDRC, this was a good opportunity to make the large network of researchers it has been supporting for years available to support a regional ambition. I would like to focus your attention not on the subject of the article national security in a nuclear world but on the kind of conclusion they reached, namely that there is no technical solution to the problem.
